

Dear Parents,

As the summer approaches it is very important that we are ready. In saying this we would like you to take some time to gather some necessities for those hot days. Children need to have a bathing suit, sunscreen, towel and water shoes (if you would like). Please place these items in a bag. All these things need to be labeled with your child's name. **We will not be responsible for things that are not labeled.** Every morning **before** you bring your child to school their first application of sunscreen should be applied. Then we will apply a second coat after naptime. At the bottom of this letter you will find a sunscreen form that needs to be filled out, signed and brought back before we can apply sunscreen. If your child is presently in diapers they must have Swimmer Diapers on in order for them to play in the water. Also, it is very important that you take your child's suit and towel home **every** Friday's with their bedding to be washed and brought back on Monday. If you have any questions please don't hesitate to ask. Have a great summer, we sure will!

SUNSCREEN AUTHORIZATION
Village Infant/Toddler Center and Preschool
