

VILLAGE CHURCH BURBANK

Dear Parents:

Welcome to Village Infant/Toddler Center and Preschool! We are so honored that you have chosen us to be your child's school, as they begin the process of development, learning, and growth toward maturity.

Village Church has been providing quality Christian early childhood education for over forty years. We have heard that we are serving not only children, but their families as well. We consider you part of our church family.

If we can provide any ministry or service to you or your families, we would be honored to serve you. We provide marriage and family counseling; parenting classes; financial counseling; men's, women's, and couples Bible studies; small groups; a variety of elective classes; and wonderful children's and youth ministries throughout the week. Please look at the Village Church brochures located in the director's office.

Again, thank you for choosing Village as your child's school. Be assured that we will be praying for you and your family.

Committed to families of all kinds . . .

Sincerely in the Lord,

Wade D. Mikels
Pastor
